PROMOTING PROSPERITY

THE CHALLENGE

Keeping food on the table and gasoline in the tank is a challenge for 44% of Eastern Idaho residents. Without savings or a support network, most will not achieve financial mobility over their lifetimes, and many are only one minor emergency like a car repair away from crisis and greater instability.

OUR SOLUTION

A family's economic security creates a ripple effect for generations to come. But with wages failing to keep up with the rising costs of housing, healthcare, and food, many families feel trapped. United Way steps in to provide the support and resources they need to save for the future and build a legacy of financial stability.

PRIORITY INITIATIVES

- ALICE Childcare Scholarships
- Mobile Family Resource Center (MFRC)
- General Education Degree (GED) Programs
- Addiction & Recovery Services

OUR IMPACT

2,591 tutoring hours, helped to empower and support those working towards their GED.

979 Individuals struggling with addiction participated in addiction and recovery classes.

Over 1,000 community members attended MFRC events, where they connected with valuable nonprofit resources and information.

"We have many resources in our community that I didn't know about and that can provide many benefits to me and my family. Thank you for having a Mobile Family Resource Center event. I hope it's not the last one so more information can be provided to those who need it."

MFRC Participant

\$5 a week supports individual tutoring and cost for GED programs.
